Dear Mr. England:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report discloses additional receipts totaling \$16,166 on Line(s) 11(a)(i), 11(a)(ii) and 11(c) of the Detailed Summary Page that were not disclosed on your original report. Please provide clarifying information as to why this activity was not disclosed on your original report.

-Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$9,517.16 for "printing," "telemarketing" and "telemarketing fees." Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a

coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

-Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "clipping service" and "media buy." Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal and non-federal accounts. Only federal funds may be used.

Further, expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s). However, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity.

If this activity was categorized incorrectly, the Commission recommends that you immediately transfer the funds received by your federal account for this activity back to the non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions from other political committees should be properly disclosed on a separate Schedule A, supporting Line 11(c) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure

to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1393.
